MM-45 Sup

Sir,

In resubmitting herewith the papers referred to me for remarks in Government Endorsement No. 893 A-1, dated 4th March 1930, I have the honour to state as follows:-

MM-45 Sup

2. The question of constructing a building for the Market Ward boys school was postponed on account of insufficiency of funds - Vide paragraph 2 of my letter R.C.No. 2162 B/27, dated 11th November 1929 disposed of in G.O.No. 2484, Law Education, dated 27th November 1929 and letter R.C.No. 1222 of 1929-30, dated 14th March 1930 of the Chairman, Municipal Council, Mangalore (Copy enclosed). The Municipal Council are now concerned with proposals for the construction of buildings for

MM-37 (A)

(A)

for the Attavur Boys and the Pentlandpeta Girls' School(Vide G.O.No. 2484,Law Education,dated 27th November 1929) and the Council would have proceeded in a more business-like way if it had confined its attention and limited expenditure to these proposals instead of incurring expenditure on the acquisition of a site which it is not proposed to use for the present.I am not convinced of the reasons given in the Chairman's letter dated 14th March 1930 as justifying the urgent acquisition of the site. In my opinion,Government would be justified in rejecting this application for grant on the ground that it is not proposed to use at present the site acquired and that the site was purchased before grant was applied for. In any case I should be prepared to recommend that the application be entertained only if the site acquired is found to be suitable as regards situation and sufficient in extent, that the price paid is reasonable and that the site will be used for school purposes in the near future, the proposals on which orders were passed in G.O.No. 2484,Law Education dated 27th November 1929 being revised for the purpose if necessary.

I have the honour to be,

Sir,

Your most obedient servant,

for Director of Public Instruction

Ref: Your letter R.C.No. 420 B/30. dated 7th March 1930 received on 14th March 1930.

Originally the cost of construction of school buildings for the Attavar Boys' School and Kadiri Girls' School and the acquisition of buildings for Pentland Pettah Girls' School and Market ward boys' school was estimated at Rs 21,000 and Government were pleased to sanction a subsidy of Rs 10500 for the purpose. The estimates in respect of the construction of the school buildings for the Attavar Boys' and Pentland Pettah Girls' Schools on sites subsequently assigned by Government for the purpose as revised according to your instructions amounted to Rs 30140. As there were no sufficient funds at the disposal of the Council to meet the moiety of the cost ~~of the cost~~ of construction of the said two buildings in addition to provision of funds for the other two schools a sum of Rs 15070 out of the contribution made by the Council from its general revenues to Elementary Education - capital towards the moeity of the cost of the four buildings was proposed to be utilised towards the construction of only two buildings for which revised estimates were prepared and submitted for your sanction and the construction of the Market Ward Boys' and Kadiri Girls' school buildings were proposed to be postponed till funds were available. The estimates for the former two buildings having been returned by Government - Vide G.O.No. 2484 L.E. dated 27th November 1929 - for revision with instructions to apply for subsidies next ye the amount available was partly utilised towards the purch of the site for the Market ward boys' school. Provision of buildings for the four schools in question is a necessity and when it was not possible to take up the work of construction of Pentlandpettah Girls' and Attavar Boys' schools in hand for want of sanction for the estimates it was considered advisable to purchase at least the site selected for the Market Ward Boys' school out of the amount available. This school is now being held in a rented building and the Council was paying it a

a monthly rent of Rs 15. The owner wanted it to be vacated or to pay rent at Rs 45 per month. The site selected for the school building was about to be sold by its owner to some private party and its acquisition later on would have cost the council much more than what has been paid now. The immediate purchase of the site was thus a necessity. Under the circumstances, I request you will be so good as to move Government ~~Government~~ to sanction the payment of the subsidy applied for.
